The FOP Free College Benefit is a “last dollar scholarship” to help members and families continue their education. Once you are enrolled, we will work with you to ensure the tuition and fees charged by Eastern Gateway Community College do not cost you any money out of pocket.

If you qualify for the Federal Pell Grant, employee-sponsored tuition assistance, or veterans’s benefits, those will be applied to your account first. The scholarship will cover any remaining balance or the total cost if it is determined that you don’t qualify for any other grants.

Please allow time for documents to be processed.
